CONNECTING RESIDENTS WITH FAMILY WHEN VISITING IS LIMITED OR RESTRICTED

We know how important staying connected to your loved one is and how difficult things are with the restrictions that are in place with COVID-19 and visitation isn't possible. If you would like to set up a Skype session with your family member and virtually connect, please let us know. We can help!

What is Skype?

Skype is a video chat and voice call using a computer, mobile device or tablet.

What Families Need:
