

Throughout the COVID-19 crisis, connecting LBHH residents with their loved ones virtually through video face-to-face technology has quickly become in demand. In order to expand this capability and allow more residents to virtually 'visit' with friends and family, as well as to allow physician telehealth visits, we are asking for specific iPad donations:

1. Apple iPad mini 5 Wi-Fi - Tablet – 64 GB - 7.9" IPS (2048 x 1536) - space gray
Approx. \$500.00

2. Apple 11-inch iPad Pro Wi-Fi - 3rd gen.
Tablet - 64 GB - 11" IPS (2388 x 1668) - space gray
Approx. \$900.00

To maintain social distancing and safety, LBHH is requests families call Myla Carpio Pelayo, Companion Coordinator , 604.261.9376 ext.4688. iPads are to be dropped off. Before donation, the device should be cleaned, reset and, if possible, placed in a zip lock bag with a viable power cord.

Family Council has already donated 5 devices (Androids and iPads) but, more are requested and we ask your support

Stay up to date with family concerns and initiatives by sending an email to lb.familycouncil@gmail.com. We will add you to our mailing list. We meet monthly and offer educational sessions. Newcomers are always welcome! We leave time at every meeting for your questions or concerns.

Warm Regards,
Family Council
