

Share Your Experiences, Help Us Make Long-Term Care Better for All

Participate in an Online Survey for a Chance to Win a \$100 Visa Gift Card!

The University of British Columbia is conducting a research study that aims to improve the tools available in long-term care, allowing care home staff to better meet the needs of residents and improve their workload management.

If you are the **family caregiver to a resident**, or **care home staff member**, you can participate in an **online baseline survey**, and enter a random draw for one of sixty \$100 gift cards!
