

Brent Hanson

Director

Born and raised in Vancouver, Brent grew up only 5 minutes from the Louis Brier. Upon completing his Post-Secondary degree at the University of Victoria, Brent moved back to Vancouver in 2006 to join his family's real estate development company, South Street Development Group. Now 15 years later, Brent is the President of South Street and has overseen the development of numerous multiple award-winning projects throughout Metro Vancouver. With a passion for soccer and all sports Brent served on the JCC Sports Dinner Committee for a few years and was also fortunate enough to be a part of Canada's Over 35 soccer team at the 2017 Maccabi Games in Israel. Brent has a special connection with the Louis Brier as his Baba spent the final years of her life in their care and he has wanted to give back to the community that cared for her so well.

Brent joined the Louis Brier Board in 2021, and sits as a member on the Redevelopment Committee.
