

Harry Segal

2nd Vice Chair

A social worker for over forty years, Harry has spent 38 years in a health care setting, and the last ten years specializing in Geriatrics. He has developed an acute understanding of the specific needs of the older population and their families. As well, his familiarity with the ins and outs of the long-term care system in BC has helped countless families navigate the complex world of Elder Care. He has twice been recognized by the provincial government for his outstanding social work practice. Born and raised in Winnipeg, Harry has lived in Vancouver since 1970, and has watched the Jewish community grow and change in that time. He is a father and grandfather and is keenly interested in both the care we give our elders, and the world we leave to our children.

Harry joined the Louis Brier Board in 2017 and was elected as second Vice Chair in 2021. He is the Chair of the Nominating Committee, and sits as a member on the Executive Committee and the Campus Ethics Committees. Harry also serves as a Director on the Weinberg Residence Board of Directors.
