Dear Residents, Families, and Caregivers,

VCH in conjunction with LBHH invites you to attend a Townhall Presentation on “**Optimizing Resident Care at Louis Brier**” presented by **Dr. Merrick Tosefsky** (Clinical Lead at LBHH), and **Dr. Marla Gordon** (Medical Director for Long-Term Care & Community Geriatrics at VCH).

Join us to learn about:

- How you can best receive the right care, at the right time, in the right setting at LBHH
- How to keep LBHH updated on what matters most to you or your loved ones when conditions change
- What the LBHH team is doing to reduce avoidable transfers to ED & hospital

We hope to see you there. Light food and refreshments will be provided!
